Each youth league will be responsible to select coaches for each team.

K thru 2nd Grade Draft Process:
At this level we allow 2 coaches at the draft per team. We are flexible about selecting children from same area of town or schools. We try our best to put 3 kids per team from same area of town or school for car pool purpose.

3rd thru 6th Grade Draft Process:
At this level ONLY 1 coach per team at Draft (EXCEPT Football – 2 coaches are allowed). No flexibility you can only select players from those who are put up on the board to be selected. Goal is to create teams that are more evenly matched and to meet children from all areas of town.
