E. ACTIONS AND RESOLUTIONS:

REVISED:

1. Request by Village Engineer Michael Amodeo for authorization to reject all bids received for the 2014 Roadway Resurfacing Contract. Four bids were received which ranged from a low bid of \$175,000.00 to a high bid of \$221,150.00. The low bid was 35% above our estimate.
2. Request by Village Engineer Michael Amodeo for authorization to increase the upset limit of the contract with Dolph Rotfeld Engineering for work related to improvements at the DOT Organic Yard Waste Transfer Station from \$4,000 to \$6,000. This increase is requested as the NYCDEP required report revisions prior to our application for variance. Funding for this increase is available in Capital Account #14HW11.
3. Request by Chief of Police Anthony Marraccini for authorization for the Purchasing Department to advertise and receive bids for the purchase of 2015 Harley Davidson Police Motorcycles. This is a 2014 Capital Budget item.
