OCTOBER ACTIVITIES CONTINUED:

Engineering for Kids:

Junior Engineer Explorers - This program introduces our youngest engineers to the basic concepts of engineering from a variety of engineering fields. Through open and focused exploration, children will design and construct a number of engineering projects, including lessons from Aerospace Engineering, Mechanical Engineering, Marine Engineering and Civil Engineering. Mondays starting October 17th - December 5th for PK - 2nd grade from 3:30 - 4:30pm at the Veteran Memorial Building, 218 Halstead Avenue. Fee: \$175.00 To register please go to www.engineeringforkids.net/westchester

The Engineering of Travel - Amazing Race: 111 years ago airplanes had not even made their first flight, yet today we can fly to the other side of the world in 12 hours. It is thanks to advances in technology that we are able to explore so much of the world. In this curriculum students will compete to see who is able to travel the farthest around the world. This trek around the world will require students to design their very own boat, plane, and even a rocket. Mondays starting October 17th - December 5th for 3rd - 8th Grade from 3:30 - 4:30 pm at the Veterans Memorial Building, 218 Halstead Avenue. Fee: \$ 175.00 To register please go to www.engineeringforkids.net/westchester

illuminating Stories: Do you love stories? And Do you have one of your own that you are longing to illuminate? Together we will discover and explore our worlds we wish to share using fun games and groups exercises and bring them to life from sketches and drafts to a real publication to be proud of, bookmarking it all with a PLS Publishing Party. At the party you not only get to share your work, but others can celebrate by ordering copies for their very own. Program starts Thursday October 6th - November 17th for ages 9 - 11 from 3:30 - 4:45 at the Leo Mintzer Center. Fee: \$375.00 materials included. For questions call Rayna (914) 804-1866
