Monday October 1st, 2012

Dear Town of Harrison's Board,

I am writing on behalf of Hudson Valley Family Church, a church that meets at 126 Gainsborg Ave. West Harrison, N.Y. We would like to request, a permit to close off the block were we currently meet, between Madison and Hancock. Hudson Valley Family Church, would like to host their 2nd Harvest Festival, to be held on October 31st, from 5:30 - 8:30. The purpose of the event is to offer families in the community the opportunity to let the children, dress in their favorite costume, enjoy games and receive candy in a safer environment than the streets.

We would appreciate, if you can consider our request.

Sincerely,

Aracelli Morgan
