TRI-COUNTY BASKETBALL LEAGUE MANDATORY TRYOUTS

A tryout will be held for competitive basketball teams open to boys and girls in grades 5 through 8, which will represent Harrison in the Tri-county Basketball League during the upcoming winter months. Home games will be played in Harrison and will travel for road games across Westchester County. Applicants must be seriously committed to this elite basketball league. Teams are selected through the tryout procedure. There is a monetary commitment of about \$450 if you are selected to play. Practices start the first week in November and games begin in December.

There will be a parent meeting with the coaches during your child's tryout time to discuss the level of commitment needed.
