TO:  
Jackie Greer  
Alfred F. Sulla, Jr. Municipal Building  
1 Heineman Place  
Harrison, NY 10528

Dear Ms. Greer,

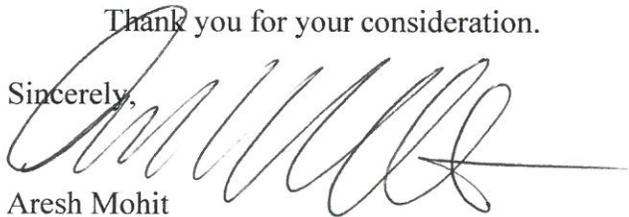

I am requesting the town's approval to erect a sign on the corner of Oakland Avenue and Glen Oaks Drive for my business, Fenom Fitness. As my business's address is not located by car GPS systems, this sign would serve to allow my prospective clients ease in finding the facility. I have attached renderings provided to me by a sign company to show the exact placement and size of the sign.

We have been advised that the sign should be within the code guidelines, which is a total of six square feet. However, we are hoping that the Board will consider allowing a sign that would be more visible.

I have spoken with the town on several occasions over the past few months and I am hoping that, with this letter, the Board will approve my request and allow for a quick and easy process in getting the sign up.

Thank you for your consideration.

Sincerely,

  
Aresh Mohit
