Re: modification of the PB District regulations for Calvert St. corridor to permit construction of four story residential dwellings with residential units on all floors – same proposal as zoning modification to Colonial Pl. and Purdy St.

Dear Ms. Greer:

Enclosed herewith please find photocopy of memorandum, dated April 2015, from Planning Consultant Pat Cleary regarding the Planning Board's / Mr. Cleary's recommendation for the rezoning of Calvert St. 1,500 feet from the metro north train station.

Attilio Tiesi, owner of 15 Calvert St., has also petitioned the Town for the above captioned modification of Calvert Street, together with numerous Calvert Street property owners. James Carnavale has requested that said matter be placed on the Town Board calendar of May 18, 2015 with the understanding that the Town Board will schedule the above application for a public hearing as soon as possible.

Kindly confirm.

Thanking you in advance for your assistance, I remain...

Very truly yours,

John M. Voetsch
