Town of Harrison Board Members  
March 4, 2014

Dear Members of the Board:

I am requesting on behalf of the Harrison Council for the Arts and The Harrison Children's Center for the use of the Municipal building during the month of April and the use of the annex building in West Harrison, May 2.

We will be exhibiting art and photos of the children from both centers of the HCC. The reception date for the municipal building is Sunday, April 27 from 1-3 and in West Harrison on Friday evening, May 2 from 6-8 p.m. The art and photos will be hung after the Youth Art Month is taken down, but the art will only be in the annex during that evening. Thank you for your consideration.

Sincerely,

Doreen Grozinger  
HCA
