Re: Service Agreement for Alarm Payments

Supervisor Belmont and Members of the Town Board:

I respectfully request that the Town Board grant us authorization to enter into a Service Agreement with Paymentus Corporation for our Alarm Bureau Department. This is the same company the Town uses for online credit card payments. This amending agreement states that the parties entered into a Master Service Agreement dated February 1, 2011 and the parties now wish to amend the Schedule A of the Master Service Agreement to include additional payment types and corresponding Paymentus Service Fees. This option will allow our residents the flexibility to pay their bills online which is helpful to them and a much more convenient way of bill paying.

Kindly authorize the appropriate person to execute said contract after it has been reviewed by the Law Department.

Respectfully submitted,

Anthony Marraccini  
Chief of Police
