October 28, 2014

Mayor/Supervisor
Honorable Town Board

On September 15, 2014 the Assessor's office completed the final 2014 assessment roll. This also closed out the duties of our Board of Assessment review. As you may be aware, we currently have a three member board, which have faithfully attended meetings and worked cooperatively with our offices for the past three years. Helen Pesce is our chairperson and as a favor to our office signed up for another five year term. The remaining members, Joseph Imperia and Patrick Enright have terms which expire in 2015 and 2016.

The reason for this letter is for you to explore the possibility of seeking new members, as on several occasions our office has been informed of potential departures. **We consider it highly probable that we stand to lose two existing members.** While it is a thankless job, the roll is vitally important, and is statutorily required. Failure to have a Board of Assessment Review turns over the duty to the County of Westchester, who can unilaterally make decisions and charge the Town for the service. This is not an option that we can entertain.

While we have time to explore candidates, we need to have a solid count of three to proceed for next year by April of 2015. Thank you for your consideration in this matter.
