Dear Ms. Fuller:

The American Cancer Society respectfully requests a Special Events Permit to host our non-competitive Making Strides Against Breast Cancer walk, to be held at Manhattanville College on Sunday, October 19, 2014. This year's event is expected to draw more than 16,000 participants, and is the largest single event dedicated to the fight against breast cancer in Westchester County.

As part of our request, we would also ask for a waiver of the Special Events fee usually charged when obtaining a permit. Our goal is to minimize expenses in order to direct as much money as possible to the support of breast cancer research, public education and patient service programs.

Please feel free to contact me at (914) 397-8844 or nicole.allo@cancer.org. We appreciate your consideration, and look forward to hearing from you on this matter.

Thank you very much for your support!

Sincerely,

A handwritten signature in cursive script that reads "Nicole Allo".
