Re: Stop Signs

Dear Supervisor Belmont and Members of the Town Board:

I respectfully request a Town Board resolution to install stop signs at the following locations which are currently two-way stop intersections:

- Lake Street northbound at the intersection of Grant Street.
- Lake Street southbound at the intersection of Grant Street.
- Second Street northbound at the intersection of Sterling Avenue.
- Second Street southbound at the intersection of Sterling Avenue.

Vehicle and pedestrian traffic has increased dramatically at the aforementioned intersections, therefore, the proposed four-way stop signs will make these intersections a safer environment for vehicle and pedestrian traffic.

- South on Old Lyme

There is a Vehicle and Traffic Section Code 38-47 which states there should be a stop sign at Old Lyme North at the intersection of Yarmouth. The stop sign was never installed and I recommend it be rescinded as it is not necessary.

Respectfully submitted,

Anthony Marraccini  
Chief of Police
