Re: NYSDEC State Assistance Grant Application
Municipal Waste Reduction and Recycling (MWRR) State Assistance Program

Dear Mayor Belmont and Members of the Village Board:

Village Board authorization is requested for the Mayor to sign a grant application for the purchase of a 25-yard split body recycling truck and if approved, to sign the Master Grant Contract.

A pre-application for this grant was submitted in 2012. We have just been notified to complete a full application for their consideration. The grant, if approved would provide 50% reimbursement of a recently purchased split body recycling truck.

Respectfully submitted,

Anthony P. Robinson
Commissioner of Public Works

APR/fmb
