Dear Mayor Belmont,

Last year, you were kind enough to lend the Jewish Community of Harrison the portable stage for an event.

Would you kindly make the stage available again to us this year, for the same event?

The event, a concert of visiting singers from Israel, is scheduled for June 1<sup>st</sup> (Wednesday) in the afternoon and will take place at 2 Century Trail. The stage can be delivered at any time.

We would be delighted to welcome you as well – if you are available.

With deep appreciation for your kind consideration and help, as always.

Sincerely,

Rabbi Eytan Hammerman
