Honorable Town Board
Town/Village of Harrison
Harrison, New York 10528

Honorable Town Board:

I respectfully request our department host a Ballistic Acrylic Sheeting Product Sample Test to be held on July 24, 2013, at the Nike Range Training Facility located at 100 Park Lane, West Harrison, NY. The Product Sample Test will be conducted by PolyOne Designed Structures and Solutions (formerly Spartech Corp) 120 South Central Ave – Suite 1700, Clayton, Missouri 63105. PolyOne manufactures transparent, bullet resistant barriers that are used to fortify police departments, banks and other high risk buildings. The test will involve firing live ammunition into their products, from prescribed safe distances, to demonstrate product durability. PolyOne has offered to assist the Harrison Police Department in acquiring product to fortify our newly designed desk area. There is no cost associated with being the host agency.

Respectfully submitted,

Anthony Marraccini
Chief of Police
