Re: My Community Alert Service Agreement

Mayor Belmont and Members of the Town Board:

I respectfully request that the Town Board approve the attached Service Agreement from My Community Alert. This service will allow the Harrison Police Department to send alerts and notifications by text messages to cell phones numbers and emails to internet email addresses. Our residents will be able to register for this service with MCAAlert through its website. MCAAlert has guaranteed any information that is provided by our residents to register for this service will be absolutely secure.

This notification platform will send our registered users valuable information that is needed during emergency situations and other critical and/or important events occurring around us. As seen in very recent events, a service such as this will be an invaluable communication tool for our residents. I have worked with the representatives of MCA to customize a service that will be tailored to meet the needs of our community.

The cost for this service will be \$1,250.00 a month, a total cost of \$15,000.00 for the year.

Respectfully submitted,

Anthony Marraccini
