June 29, 2021

The Honorable Supervisor/Mayor and the Town/Village Board Town/Village of Harrison, New York 1 Heineman Place Harrison, New York 10528

PKF O'Connor Davies, LLP

We have audited the financial statements of Town/Village of Harrison, New York as of and for the year ended December 31, 2020 and have issued our report thereon dated June 29, 2021. Professional standards require us to communicate with you regarding audit matters that are, in our professional judgment, significant and relevant to those charged with governance ("TCWG") in overseeing the financial reporting process. This communication is intended to provide you with these required communications as well as other findings and information regarding our audit.

We are pleased to be of service to you and the Town/Village of Harrison, New York and appreciate the opportunity to present our audit findings to you. We are also pleased to discuss other matters which may be of interest to you and to answer any questions you may have.

This information is intended solely for the information and use of TCWG and management of the Town/Village of Harrison, New York and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Status of the Audit

Audit of Financial Statements

- Audit fieldwork is complete.
- The financial statements have been drafted and reviewed by management.
- We have issued an unmodified report on the financial statements.

Required Communications and Other Matters

Required Item	Comments				
Auditor's responsibility under professional standards and planned	We have communicated such information in our engagement letter to you dated November 26, 2018. Generally, these responsibilities include:				
scope and timing of the audit	 Forming and expressing an opinion on the financial statements. 				
	 Obtaining reasonable assurance that the financial statements are free of material misstatements, whether caused by error or fraud. 				
	 Accumulating and communicating uncorrected misstatements to Those Charged with Governance ("TCWG"). 				
	Maintaining professional skepticism.				
	Communicating audit related matters that are, in our professional judgment, significant to TCWG.				
Supplementary information accompanying the financial statements	Our responsibility for the supplementary information accompanying the financial statements is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.				
	With respect to such supplementary information, we made certain inquiries of members of management and evaluated the form, content and methods of preparing the information to determine that the information complies with US GAAP, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.				

Required Item	Comments
Other information in documents containing audited financial statements	Our responsibility as auditors for other information in documents containing the audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to determine that such other information is properly stated.
Responsibilities of management and TCWG	 Management's responsibilities include: The fair presentation of the financial statements, including the selection of appropriate accounting policies. Establishing and maintaining effective internal control. Complying with laws, regulations, grants and contracts. Providing the auditors with all financial records and related information and a signed representation letter. TCWG are responsible for communicating with the auditors and overseeing the financial reporting process. Both management and TCWG are responsible for: Setting the proper tone at the top. Designing and implementing policies and controls to prevent and detect fraud.
Qualitative aspects of accounting practices - Accounting Policies	The significant accounting policies are described in Note 1 to the financial statements. There have been no initial selections of accounting policies and no changes in significant accounting policies or their application, during the reporting period that had a significant impact on the financial statements. The accounting policies of the Entity conform to U.S. generally accepted accounting principles as applicable to state and local governments. The Entity's reports are based on all applicable GASB pronouncements.
Qualitative aspects of accounting practices – Significant Unusual Transactions	No matters have come to our attention that would require us to inform you about the methods used to account for significant unusual transactions.

Required Item	Comments		
Qualitative aspects of accounting practices - Accounting Estimates and Management's Judgment	Accounting estimates made by management are an integral part of the financial statements and are based on management's knowledge are experience about past and current events and assumptions about future events. Actual results could differ from those estimate particularly given the significant social and economic disruptions are uncertainties associated with the ongoing COVID-19 pandemic are mitigation responses and such differences may be material. Certain accounting estimates are particularly sensitive because their significance to financial statements and their susceptibility change. The most sensitive estimates affecting the financistatements are: • Actuarial assumptions related to the Other Post Employme Benefit Obligations ("OPEB") • Actuarial assumptions and proportionate share calculation related to pension obligations • Asset lives for depreciable capital assets • Estimates of certain receivable balances and allowances for uncollectible amounts • Estimates for certain operating and long-term liabilities Management believes that the estimates used and assumptions made are adequate based on the information currently available. We evaluated the key factors and assumptions used to develop the state of the content of the proposition of the propositions are deepled to develop the evaluated the key factors and assumptions used to develop the evaluated the key factors and assumptions used to develop the particular of the		
	estimates in determining that they are reasonable in relation to the financial statements as a whole.		
Qualitative aspects of accounting practices - Financial Statement Disclosures	Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements are:		
	 Other post-employment benefit obligations payable Pension plan information Outstanding bonded indebtedness Fund balances 		
	The financial statement disclosures are consistent and clear.		
Difficulties encountered in performing the audit	We encountered no significant difficulties in dealing with management relating to the performance of our audit.		

Required Item	Comments
Corrected and uncorrected misstatements	Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management.
	We are required to communicate to you misstatements that remain uncorrected, including any related to prior periods, and the effect, if any, that they may have on the opinion in our report, and request their correction. There are no such financial statement misstatements.
	In addition, corrected misstatements that were brought to the attention of management as a result of our audit procedures are also included in Appendix 2.
Disagreements with management	For purposes of this communication, a disagreement with management is a matter, whether or not resolved to our satisfaction, concerning financial accounting, reporting, or auditing, which could be significant to the financial statements or the auditors' report. No such disagreements arose during the course of the audit.
Management representations	We have requested certain representations from management that are included in the management representation letter (see Appendix 1).
Management's consultations with other accountants	In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no such consultations with other accountants.
Auditor independence	We affirm that PKF O'Connor Davies, LLP is independent with respect to the Entity in accordance with relevant professional standards.
Significant issues discussed with management prior to retention	We generally discuss with management a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Entity and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed and our responses thereto were a condition to our retention as auditors.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Town/Village of Harrison, New York (the "Entity") internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. Accordingly, we express no such opinion.

Professional standards require that we communicate to you, in writing, all significant deficiencies and/or material weaknesses in internal control that we identify in performing our audit. For this purpose, deficiencies in internal control are categorized as follows:

- A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.
- A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.
- A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

However, we share for your consideration on the following pages other observations about the internal control and operations.

This communication is intended solely for the information and use of management and others charged with governance and is not intended to be and should not be used by anyone other than these specified parties. We will be pleased to discuss these communications and comments in further detail at your convenience, or to assist you in implementing the recommendations.

PKF O'Connor Davies, LLP Harrison, New York

June 29, 2021

Town/Village of Harrison, New York

Control Deficiencies

Special Purpose Fund

Inactive Accounts

The Special Purpose Fund is used to account for assets held by the Town/Village in accordance with a trust agreement. Our audit disclosed that three trust accounts, entitled "Recreation Downtown Seniors", "Klingentein Park", and "Veterans Honor Roll" have remained financially inactive, except for interest earnings, for the entire year.

Recommendation

We suggest that the Town/Village analyze the balances and review the purpose of these bequests so that a determination may be made as to the proper disposition of the funds. Should it be determined that these amounts are no longer required to be held in trust, a Board resolution should be approved transferring these funds to the appropriate operating fund.

• Special Districts Fund - Water District No. 2

During our audit of the Water District No. 2, we noted that the Westchester Joint Water Works ("WJWW") is now a full year behind on payments to the Town/Village of approximately \$1.69 million.

Recommendation

We recommend that Town/Village determine the delay in payment. Such delays in payments can have a negative impact on cash flows.

Special Districts Fund - Fire Protection District Fund No. 5

Deficits place a financial burden upon a municipal entity. They are created either by revenue shortfalls or expenditures in excess of budgetary provisions. The effects of an increasing deficit are varied but their greatest impact will generally be felt on cash flow. The larger the amounts involved, the greater the problems. Revenue enhancements, financial controls and operational changes must be instituted to cure the deficit. The financial statements of the Town/Village reflect an unassigned deficit of \$1,418 in the Fire Protection District Fund No. 5 at December 31, 2020.

Recommendation

We suggest that the Town/Village continue to monitor its operations to ensure that this deficit is reduced or eliminated.

Town/Village of Harrison, New York

Control Deficiencies

Capital Assets

Capital Assets (net of accumulated depreciation) amount to in excess of \$110.5 million in the government-wide Statement of Net Position. In order to reconcile, record and depreciate the Town/Village's capital assets, a system needs to be in place in which capital asset transactions are properly recorded on a timely basis and summarized, including additions, deletions and transfers from construction in progress. The current year additions are a vital component of the GASB Statement No. 34 Statement of Net Position. During our audit, we noted that the Town/Village did maintain a detailed schedule of the balances in capital assets, however we felt that it should be reviewed on a periodic bases and include internal/external inspections to verify existence. Additionally, all capital assets should be evaluated for impairment as a result of significant and unexpected decline in service utility. It has been some time since the Town/Village has had a full appraisal of its capital assets.

Recommendation

We recommend the Town/Village maintain the capital asset records and continue to reconcile these records to the general ledger on a timely basis, at least quarterly, to ensure the accurate accounting for capital assets. The accounting procedures should include the additions and disposals of property, plant and equipment documented by general ledger account code charged and tag numbers pertaining to location, if possible. Complete information for all capital assets provides excellent control for the safeguarding of these assets, which are material to the Town/Village's financial statements. The assessment and evaluation now can be made regarding the reliability of certain capital assets, the need for replacements as well as insurance coverage. We would also recommend that a full appraisal of the Town/Village's capital assets be performed, and this process could be performed internally over a period of time or externally.

Town/Village of Harrison, New York

Other Matters

General Fund - Town

Outstanding Deposit Accounts

Our audit disclosed that there are two deposit accounts in the General Fund listed below, which have deposits greater than one year old.

Storm Water Inspect Fees \$630,416Performance/Surety Bond/In Lieu 639,179

Recommendation

We recommend that a thorough review of all deposits recorded on the books and records be undertaken in order to obtain their current status. We have been advised that residents must perform certain tasks before these funds will be returned.

On the Horizon

GASB Statement No. 87 – Leases

Potentially pervasive changes are coming to lease accounting. Under the provisions of GASB Statement No. 87, nearly every lease will be considered a capital lease. While local governments and school districts would most likely be lessees in these kinds of transactions, some might also be involved in transactions where they are the lessor of these assets.

Under this standard, lessees will now be required to recognize in their entity-wide Statement of Net Position a lease liability and an intangible right-to-use lease asset when the lease begins. The intangible asset will be similar to other capital assets by requiring amortization over the life of the lease term, similar to depreciation of tangible capital assets. Also similar to other capital assets, leases will need to be assessed for impairment.

Lessors will do the opposite. Lessors will recognize a lease receivable and a deferred inflow of resources at the start of a lease. The receivable will be reduced and revenue recognized as lease payments are received each year. The lessor will continue to report the capital asset on its own Statement of Net Position.

Governments should review this standard early to anticipate what changes might need to be made to policies, accounting procedures, laws and regulations. GASB Statement No. 95 postponed by eighteen months the effective date of this statement. Accordingly, the provisions of this Statement are effective for fiscal years beginning after July 15, 2021 (i.e., the Town/Village's financial statements for the year ended December, 2021).

Changes to **Government Auditing Standards**

The U.S. Government Accountability Office, in July 2018, issued its 2018 revision to <u>Government Auditing Standards</u> (i.e. "Yellow Book"). These changes will be the first changes since 2011 and are designed to ensure the standards continue to meet the needs of the federal, state and local government communities and the public these bodies serve. The following significant new audit requirement was added to the 2018 revision:

As part of an audit under <u>Government Auditing Standards</u>, if auditors become aware of waste or abuse that could be quantitatively or qualitatively material to the financial statements, auditors should perform additional audit procedures to ascertain the potential effect on the financial statements.

Included in the application guidance are these definitions:

Waste is the act of using or expending resources carelessly, extravagantly, or to no purpose. Waste involves the taxpayers not receiving reasonable value for money in connection with any government-funded activities because of an inappropriate act or omission by parties with control over or access to government resources. Importantly, waste can include activities that do not include abuse and does not necessarily involve a violation of law. Rather, waste relates primarily to mismanagement, inappropriate actions, and inadequate oversight.

Abuse is behavior that is deficient or improper when compared with behavior that a prudent person would consider reasonable and necessary business practice given the facts and circumstances, but excludes fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements. Abuse also includes misuse of authority or position for personal financial interests or those of an immediate or close family member or business associate. Because the determination of abuse is subjective, auditors are not required to perform procedures to detect abuse in financial audits. Auditors may discover that abuse is indicative of fraud or noncompliance with provisions of laws, regulations, contracts, and grant agreements.

The 2018 revision of <u>Government Auditing Standards</u> is effective for financial audits for periods ending on or after June 30, 2020. Early implementation is not permitted.

Ronald Belmont Mayor

June 29, 2021

PKF O'Connor Davies, LLP 500 Mamaroneck Avenue Suite 301 Harrison, New York 10528

This representation letter is provided in connection with your audit of the basic financial statements of Town/Village of Harrison, New York, which comprise the respective financial position of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information as of December 31, 2020, and the respective changes in financial position and, where applicable, cash flows for the year then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, (having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves) as of the date of this letter, the following representations made to you during your audit.

Our Responsibilities

- 1) We acknowledge that we have fulfilled our responsibilities as set forth in the terms of the engagement letter dated November 26, 2018 for:
 - a) The preparation and fair presentation of the financial statements in accordance with US GAAP and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity. The combining and individual fund financial statements have been prepared and presented in conformity with the accounting principles used to prepare the basic financial statements.
 - b) The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and

- c) The design, implementation, and maintenance of internal control to prevent and detect fraud.
- 2) We understand that the term "fraud" refers to intentional acts by one or more individuals among management, those charged with governance, employees, or third parties, involving the use of deception that results in a misstatement in financial statements. Two types of intentional misstatements are relevant to your audit misstatements resulting from fraudulent financial reporting and misstatements resulting from misappropriation of assets. Fraudulent financial reporting involves intentional misstatements, including omissions of amounts or disclosures in financial statements to deceive financial statement users. Misappropriation of assets involves the theft of an entity's assets.
- 3) We are further responsible for reviewing, accepting and processing the standard, adjusting, or correcting journal entries that you proposed during the course of your engagement. We confirm that we designated a suitably qualified individual who understands the nature and impact of the proposed entries to the financial statements, and we accept responsibility for the proposed entries that we authorized and processed.
- 4) We acknowledge our responsibility for presenting the combining and individual fund financial statements and schedules in accordance with US GAAP, and we believe the combining and individual fund financial statements, including its form and content, is fairly presented in accordance with US GAAP. The methods of measurement and presentation of the combining and individual fund financial statements and schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
- 5) The financial statements referred to above are fairly presented in conformity with US GAAP and include all disclosures necessary for such fair presentation. In that connection, we specifically confirm that:
 - a) The Town/Village's accounting policies, and the practices and methods followed in applying them, are appropriate and are as disclosed in the financial statements.
 - b) There have been no changes during the period audited in the Town/Village's accounting policies and practices.
 - c) All material transactions have been recorded in the accounting records and are reflected in the financial statements and the schedule of expenditures of federal award.
- 6) Significant assumptions we used in making accounting estimates are reasonable.
- 7) The following, where they exist, have been appropriately disclosed to you and accounted for and/or disclosed in the financial statements in accordance with the requirements of US GAAP:
 - a) The identity of all related parties and related party relationships and transactions including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.
 - b) Guarantees, whether written or oral, under which the Town/Village is contingently liable, if any.
 - c) The effects of all known actual or possible litigation, claims, and assessments that should be considered when preparing the financial statements.
- 8) We have evaluated events subsequent to the date of the financial statements through the date of this letter, and no events have occurred which would require adjustment or disclosure in the financial statements. No events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.

- 9) The Town/Village has disclosed a contingency note to describe the effects of COVID-19 on the Town/Village's finances and operations. Given this level of uncertainty, management cannot reasonably estimate the actual impact on the Town/Village's future financial position at this time. The management of the Town/Village does not believe that the effects of COVID-19 will affect the Town/Village's ability to operate as a going concern.
- 10) We are in agreement with the adjusting journal entries you have prepared and they have been posted to the Town/Village accounts.

Information Provided

- 11) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - b) Communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, if applicable.
 - c) Additional information that you have requested from us for the purpose of the audit.
 - d) Unrestricted access to persons within the Town/Village from whom you determined it necessary to obtain audit evidence.
 - e) Completeness and availability of all minutes of the meetings of the Town/Village Board or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - f) All significant contracts and agreements.
- 12) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud. Based on our assessment, we did not identify any fraud risks that we believe would result in a material misstatement of the financial statements.
- 13) There are no deficiencies in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Town/Village's ability to initiate, authorize, record, process, and report financial data reliably in accordance with US GAAP.
- 14) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 15) We have no knowledge of any allegations of fraud or suspected fraud affecting the Town/Village's financial statements communicated by employees, former employees, regulators, or others.
- 16) We have no knowledge of instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or waste or abuse, whose effects should be considered when preparing financial statements.

Hosting Services

- 17) We acknowledge that electronic portals used during the audit are only a method of transferring data and the data may be deleted by you at any time.
- 18) We are responsible for maintaining our financial and non-financial information, licensing and hosting of any applications, and downloading and retaining anything you uploaded to such portal in a timely manner.

Government—specific

19) We have made available to you all financial records and related data.

- 20) We have a process to track the status of audit findings and recommendations.
- 21) We have identified to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
- 22) The Town/Village has no plans or intentions that may materially affect the carrying value or classification of assets, deferred outflows of resources, liabilities, deferred inflows of resources and fund balance or net position.
- 23) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits and debt contracts; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
- 24) We have identified and disclosed to you all instances that have occurred or are likely to have occurred, of fraud and noncompliance with provisions of laws and regulations that we believe have a material effect on the financial statements or other financial data significant to the audit objectives, and any other instances that warrant the attention of those charged with governance.
- 25) There are no violations or possible violations of budget ordinances/resolutions, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
- 26) Westchester Joint Water Works ("WJWW"), a joint venture of the Town/Village as reported in Note 4C, is currently being fined by the New York State Health Department for not meeting a Supreme Court of the State of New York ruling requiring the construction of a filtration plant by December 3, 2008. These fines amount to \$59,648,750 as of December 31, 2020 and continue to accrue at \$13,750 a day. The Town/Village's share of these fines is approximately 54.4 % of the total. Management of the WJWW has indicated that the State is holding in abeyance the imposition of these fines although they continue to be accrued by the WJWW. The Town/Village has not accrued their share in the Special District Fund Water District as the expectation of management is that the fines will be suspended or replaced with a negotiated settlement as the WJWW signed an intermunicipal agreement with the County of Westchester, New York for a filtration plant alternative.
- 27) The Town/Village of Harrison retains a demand note receivable as of December 31, 2020 from the Harrison Parking Authority, a component unit of the Town/Village, for \$429,859 with interest at 4%. Since collectability is not assured within the next operating cycle, the funds have been classified as nonspendable fund balance long term receivables. Such amounts will not be collected in sufficient time to use the funds to satisfy liabilities of the current period. These funds are not "available" for appropriation or expenditure even though the amounts are a component of current assets.
- 28) There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
- 29) As part of your audit, you assisted with preparation of the financial statements and disclosures. We acknowledge our responsibility as it relates to those nonaudit services, including that we assume all management responsibilities; oversee the services by designating an individual, preferably with senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the

- services We have reviewed, approved, and accepted responsibility for those financial statements and disclosures. We also understand that as part of your audit, you prepared various adjusting journal entries, both on the fund and entity-wide level, and acknowledge that we have reviewed and approved those entries and accepted responsibility for them.
- 30) The Town/Village has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 31) The Town/Village has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 32) We have followed all applicable laws and regulations in adopting, approving, and amending budgets.
- 33) The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations.
- 34) The financial statements include all fiduciary activities required by GASB Statement No.84.
- 35) The financial statements properly classify all funds and activities in accordance with GASB Statement No. 34, as amended, and GASB Statement No. 84.
- 36) All funds that meet the quantitative criteria in GASB Statement Nos. 34 and 37 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.
- 37) Components of net position (net investment in capital assets; restricted; and unrestricted) and equity amounts are properly classified and, if applicable, approved.
- 38) Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the balance sheet date and have been reduced to their estimated net realizable value.
- 39) Provisions for uncollectible receivables have been properly identified and recorded.
- 40) Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.
- 41) We agree with the findings of specialists in evaluating the other postemployment benefit obligation and any other specialists utilized and have adequately considered the qualifications of the specialists in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an impact on the independence or objectivity of the specialists.
- 42) We believe that the actuarial assumptions and methods used to measure pension and OPEB liabilities and costs for financial accounting purposes are appropriate in the circumstances.
- 43) Revenues are appropriately classified in the statement of activities within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
- 44) Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
- 45) Deposits and investment securities are properly classified as to risk and are properly disclosed and valued.
- 46) Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated.

- 47) Capital assets have been evaluated for impairment as a result of significant and unexpected decline in service utility. Impairment loss and insurance recoveries have been properly recorded, if applicable.
- 48) The Town/Village has implemented Phase I and Phase II of GASB Statement No. 73 regarding its Fire Length of Service Awards Program ("LOSAP") reporting such assets within the fund financing the LOSAP program, the Fire Special District Fund with an offsetting restriction of the fund balance. The use of a pension Trust Fund has been eliminated. Currently, there has been no substantive changes to the current note disclosure and required supplementary information.
- 49) We have appropriately disclosed the Town/Village's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available and have determined that net position is properly recognized under the policy.
- 50) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 51) Tax abatement agreements have been properly disclosed in the notes to the financial statements, including the names of all governments involved, the gross amount and specific taxes abated, and additional commitments.
- 52) Expenditures of federal awards were below the \$750,000 threshold for the year ended December 31, 2020, and we were not required to have an audit in accordance with Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirement for Federal Awards ("Uniform Guidance").*

About PKF O'Connor Davies, LLP

FIRM OVERVIEW

Founded in 1891, PKF O'Connor Davies has evolved from an accounting firm to a corps of high-caliber professionals that delivers to a global and growing client base a complete range of audit, tax and advisory services as well as insights and expertise at the highest level. As our business has grown, our commitment to active value creation has allowed us to connect our clients to sound business advice, key players and resources across diverse industries.

An Acknowledged Global Leader

Not only are we one of the nation's most rapidly growing accounting and advisory firms, we are also the lead North American firm in the growing PKF global network of independent accounting and advisory firms. This enables us to provide clients with preferred access to toptier experts and firms in over 400 locations, in 150 countries around the world. It also establishes us as the primary referral point for international businesses with needs in North America, an advantage for our domestic clients seeking connections outside the U.S.

Active Partner Involvement Dedicated Engagement Teams

We have built strong relationships with our clients by being proactive, thorough and efficient. Firm partners are involved in the day-to-day management of engagements, ensuring a high degree of client service and cost effectiveness. Multi-disciplinary teams ensure solutions are customized to address specific needs and integrated for greater efficiency.

A Higher Standard: Beyond Passive Value Calculation to Active Value Creation

Our focus on value has driven our growth, propelling PKF O'Connor Davies to the Top 27 on *Accounting Today*'s 2021 "Top 100 Firms" list and gaining us acclaim as one of the country's fastest-growing firms. With unmatched client focus, we unlock genuine value hidden at key connection points in every engagement within regional, national and international arenas. Through these connections, our team of specialists continually drives efficiencies, uncovers opportunities and manages risk – delivering value where others can't.
