

## TOWN AND VILLAGE OF HARRISON ENGINEERING DEPARTMENT

Alfred F. Sulla, Jr. Municipal Building  
1 Heineman Place  
Harrison, New York 10528

**Michael J. Amodeo, P.E., CFM**  
*Town/Village Engineer*

December 2019

To whom it may concern:

Finding that perfect home, securing the necessary mortgage and making sure your new home and its contents are adequately insured can be a daunting process. The Engineering Department of the Town of Harrison and Village of Harrison is committed to helping you serve the needs of your clients who currently live and work in Harrison.

We have access to a wide range of information that can be used to help your clients make informed decisions. We have also posted useful material on our website. Visit the Engineering Department page of the Town of Harrison Website, [www.harrison-ny.gov](http://www.harrison-ny.gov)

A brief example of some of the information we can provide is listed below:

- FEMA Flood Insurance Rate Maps Information
- Historical Flood Information
- Building Regulations for Construction in Flood Zones
- Advising on Natural Floodplain Functions

The Engineering Department maintains a library of useful information on this topic, which is available to realty professionals, engineers, architects, contractors and residents.

So, if you have a client who is moving within the Town of Harrison or Village of Harrison limits, or one who is moving here for the first time, we stand ready to help. We can be reached via telephone at 914-670-3102 or via email at [engineering@harrison-ny.gov](mailto:engineering@harrison-ny.gov).

I have attached some information regarding Flood Insurance for your use and information.

We look forward to hearing from you.

Sincerely yours,

*Michael J. Amodeo, P.E., CFM*  
Town/Village Engineer
