## Voluntary Mitigation Grant Participation and Waiver

I/We,	, are the cur	, are the current property owner(s) of		
(print	t name)			
	,	,		
(address)		(block & lot)		

and have elected the following option in regards to my/our participation in a mitigation grant program applications that would be submitted by our jurisdiction to the New York State Division of Homeland Security and Emergency Services – NYS DHSES) for mitigation grant funding consideration:

## Mitigation Grant Type (select only one)

- o Acquisition
- o Acquisition of lot (no structure)
- o Acquisition (first option) Elevation (second option)

- o Elevation
- Relocation
- o Retrofit (raising of utilities)
- o Do not wish to participate

As part of this mitigation grant participation, a waiver is provided to the Federal Emergency Management Agency (FEMA) to provide Duplication of Benefit Information to NYS DHSES and/or the applicant to assist in determination of the cost effectiveness of my participation.

Though I/we have voluntarily expressed our wish to participate in this mitigation grant, it is understood that I/we have the right to change this decision and may withdraw participation in this mitigation grant project prior to closing for acquisition.

The following necessary information is requested to assist the applicant in including this homeowner's participation in the mitigation grant application:

## National Flood Insurance Information – NFIP (select one only)

- o I/we **do not** have an NFIP on the structure identified NOTE: NFIP insurance is not a requirement for all mitigation grant programs
- o I/we have an NFIP policy on the structure identified and are providing the requested information as an attachment to this waiver:
  - ➤ NFIP Insurance Company
  - > Agents Name and Telephone Number
  - Policy Number
  - ➤ Elevation Certificate (attach if available)
  - ➤ Date of Initial Continuous NFIP Coverage

Additional Information requested to be provided: (Check only those that are appropriate)

- o The structure has been certified as being "substantially damaged" by the Local Flood Plain Administrator copy attached
- o Increased Cost of Compliance coverage is included under my/our NFIP policy
- o The block and lot is in the regulatory floodway
