The following request requires a Town Board Resolution:

Request by Chief of Police, Joseph Yasinski, to enter into a rental agreement with Goosetown Communications located at 58 North Harrison Avenue, Congers, NY 10920. The agreement will be for installation of a six site Radio Simulcast System, which will improve police radio communications.

The total cost of the rental agreement will be \$389,100, paid over a sixty month period in monthly Installments of \$6,485. Funding for the lease will come from the Police Departments operating budget annually. The system is expected to be up and running by year end 2019.

The agreement has been reviewed by the law department and found to be in order.

Kindly authorize the Supervisor to execute the agreement and in addition, authorize the Purchasing Department to initiate a purchase order to Goosetown for the total amount of \$389,100.

Respectfully submitted.
