Re: Pavement Rehabilitation Capital Program

Dear Mayor Belmont and Members of the Village Board:

Village Board authorization is requested for approval of the Pavement Rehabilitation item from the 2019 Proposed Department of Public Works Capital Budget in the amount of \$2,000,000.

Approval of these funds at this time will enable the department to continue the pavement rehabilitation program as outlined in the Pavement Management Study performed in 2015.

A bonding resolution would be brought to the Board at a subsequent meeting.

Respectfully submitted,

Anthony P. Robinson
Commissioner of Public Works
