

Dear City/Town/Village Managers and Councils,

The Westchester Triathlon is an iconic event taking place each September for the past 30+ years. Each year this event raises over \$50,000 that is donated to local and national charities for a variety of causes.

I'm writing to request formal permission for use of the roadways through The City of Rye, Rye Brook, Greenwich, North Castle, Harrison, Port Chester and Westchester County.

Police officers are required at various positions on the bike and run portions of the triathlon taking place on Sunday September 22, 2019.

The bike course map link is here: <https://ridewithgps.com/routes/30298887>

The run course map link is here (only affects Rye, Playland Park, and Rye Town Park):

I would be honored if you would grant us permission to use the roads for the race on Sunday September 22, 2019. I look forward to working with your police and traffic departments to ensure a safe and successful event for all. I will need written approval as soon as possible for our NYSDOT permit.

Sincerely,

Eric Opdyke
