Re: American Public Works Association
2024 Equipment Show

Dear Supervisor Dionisio and Members of the Town Board:

Town Board authorization is request for me and up to 3 additional Department of Public Works employees to attend the 2024 Equipment Show, sponsored by the American Public Works Association, on May 22, 2024 at the Town of Orangetown Highway Department on Orangeburg, New York.

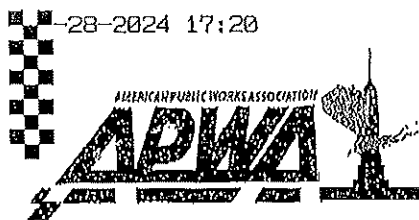

Further authorization is requested to use my Town-issued vehicle to travel to the event.

The show is free of charge to attendees.

Respectfully submitted,

Christopher Park

Dear Colleague:

On behalf of the New York Metropolitan Chapter of the American Public Works Association, you are invited to attend the Product & Equipment Exposition during our Public Works Week Celebration to be held on **Wednesday, May 22, 2024**, at the Town of Orangetown Highway Department, located at 119 Route 303 in Orangeburg, New York.

The New York Metropolitan Chapter includes the seven Lower Hudson Valley Counties of Rockland, Orange, Sullivan, Ulster, Dutchess, Putnam and Westchester as well as New York City and Long Island.

National Public Works Week serves as a time to recognize the many contributions of the public works professionals, who design, build, operate and maintain the transportation, water supply, sewage and refuse disposal systems, public buildings and other public structures and facilities essential to our quality of life and economic vitality.

The Theme for this year's event is "Advancing Quality of Life for All". Your attendance and participation in this event would be greatly appreciated and mean a lot to our public works professionals.

This equipment show will open at 10:00 a.m. with a continental breakfast. At 1:00 p.m. a delicious hot and cold lunch will be served, and the show will conclude at 2:30 p.m.

The New York Metropolitan Chapter looks forward to bringing our industry back together again in Orangetown, NY. Your health and safety is our top priority, and we are taking proactive steps by implementing the guidelines and policies of the CDC and New York State to ensure a safe and rewarding experience for all.

Please promote and encourage the attendance of Highway and Public Works Superintendents, Commissioners, Foremen, Fleet staff and Elected Officials. In fact, if you bring along an elected official from your Municipality, and reserve lunch tickets in advance, the New York Metropolitan Chapter will treat both of you to the luncheon. Again, we ask that you spread the word among your fellow highway and public works officials and invite them to attend.

Enclosed please find the registration form for advance purchase of luncheon tickets.

We look forward to seeing you on May 22nd, rain or shine.

Thomas Meier,
President, NY Metro Chapter
