Harrison, New York 10528

Re: Amendment to Town Board Resolution 2019-316 (Hepatitis B Vaccinations)

Supervisor/Mayor Belmont and Members of the Town Board:

I respectfully request eight (8) of our police officers receive the Hepatitis B Vaccination as required by the OSHA Bloodborne Pathogens standard, 29 CFR 1910.1030 and the Harrison Police, Manual of Procedures. The department is required to offer the vaccination to all employees at no cost to the employees of the Harrison Police Department.

The department will no longer be utilizing the services of Rye Brook Cardiology and/or Vascular Medicine as they have merged with White Plains Hospital and the cost has increased from \$100.00 to \$181.21 per injection. We will now be utilizing Partners in Safety Inc. at a cost of \$110.00 per injection. They are located at 15 North Broadway, White Plains New York 10601. The estimated total cost for these vaccinations will be \$2,640.00.

Respectfully submitted,

John T. Vasta
Chief of Police
