Re: Hazard Mitigation Plan

Dear Supervisor Belmont and Members of the Town Board:

The Engineering Department has been working with Westchester County on the development of a Westchester County Multi-jurisdictional Hazard Mitigation Plan. The plan must be adopted in order for the Town to be eligible to apply for mitigation funds through FEMA and the Department of Homeland Security.

A copy of the draft resolution is attached for your consideration.

In addition, I would ask that this resolution also be adopted in the Village.

Respectfully submitted,
