Re: Emergency Boiler Replacement at the Sollazzo Center

Dear Mayor Belmont and Members of the Village Board:

Village Board authorization is requested for the Purchasing Department to issue a Purchase Order in an amount not to exceed \$49,250.00 to GC Reliable for emergency boiler replacement at the Sollazzo Center. The proposal is attached for your information and review.

The current boiler is near failure and has reached the end of its useful service life. Repairs are no longer possible and it is running with constant monitoring. Obviously, heating at this time of year is critical. Emergency authorization to proceed was given to our HVAC Contractor GC Reliable as equipment is in short supply and lead time may be extensive.

Funding for this emergency work is available in the Department of Public Works Capital Account 19GB12.

Respectfully submitted,

Anthony P. Robinson
Commissioner of Public Works
