Dear Building Department Manager:

Our non-profit organization, Stand with GNC, Inc is planning a Flea Market-type fundraiser at the REACH Academy school building, property of the St. Anthony of Padua Church in West Harrison. The building resides at 45- East Gainsborg Ave, West Harrison, NY. The Flea Market consists of renting spaces to vendors selling various family-friendly items. The event will take place on Saturday May 7, 2022 from 10am-4pm. We are requesting a Special Events permit to have this event at that location.

Our organization supports all of the schools of the Greenburgh-North Castle School District which are all special education high schools.

Our mission statement: Stand with GNC is a non-profit organization who supports the Greenburgh-North Castle UFSD. Our goals are to support the academics, social, and emotional needs of our students. We do this through fundraising events, supporting donations, and providing opportunities for all educators to enrich their instructional environments in the 21st century.

Since we are an established 501 (c)3 Non-Profit (EIN: 83-2986750), we are kindly asking to be considered for waiving the permit fee to further help us in this fundraiser event. You may contact us anytime at (347)871-8363 for more information.

We thank you for considering our request and hope to have a successful event.

Thank you.

Sincerely,

Rina Colaiacovo
