

February 1st, 2023

Jacqueline Greer
Town Clerk
Town of Harrison
1 Heineman Place
Harrison, NY 10528

Dear Ms. Greer,

Global Impact Productions is working with the Autism Science Foundation to produce the 9th annual Wall Street Rides FAR charity event. As you may recall, Wall Street Rides FAR ("For Autism Research") is a one-day, charity cycling event raising funds to support the Autism Science Foundation. This family-friendly event will take place on **Saturday, September 30th, 2023**. This cycling event offers the choice of a 62-mile (Metric Century), 30-mile, 20-mile, 12-mile, or 4-mile bike ride and a 5K walk option to about 400 participants. The routes coming through your jurisdiction are the 62-, 30-, 20-, and 12-mile routes.

The Autism Science Foundation (ASF) provides funding to scientists and organizations conducting and disseminating autism research. ASF also provides information about autism to the public and serves to increase awareness of autism spectrum disorders and the needs of individuals and families affected by autism. Wall Street Rides FAR is a fully supported cycling event, with people of all ages and athletic levels participating.

Please review the enclosed materials. Our route has not changed since last year. We are not asking for any roads or lanes to be closed during our event. Since our proposed route winds its way briefly through your jurisdiction, we expect riders to be riding through your area from approximately 8:30 AM – 1:30 PM. We maintain a comprehensive \$5 million liability policy and would be happy to include the Town of Harrison.

If you have any questions or concerns, feel free to call me at (212) 989-1111. You can also email us at eenciso@globalimpactpro.com to discuss this request. We look forward to partnering with you to make a difference in the lives of those with autism.

Sincerely,

Emilie Enciso
Director of Operations
Global Impact Productions

Notification & Approval of Event

Our jurisdiction has been notified in writing that Wall Street Rides FAR ride will be taking place on Saturday, September 30th, 2023. We are aware that approximately 400 bicyclists will be participating. They will ride at their own pace and will follow the vehicular rules of the road. This is not a race or a timed event.

Estimated Time of Arrival: September 30th, 2023, 8:30 AM – 1:30 PM
