Re: LightPath Service Agreement

Supervisor/Mayor Dionisio and Members of the Town Board:

Authorization is requested to participate in the LightPath Service Agreement, with terms to agree to the 60-month, 20 Mb e-Lan service order which provides data between MTA MRRS and Zetron consoles.

A formal definitive agreement executed by both parties is required and agreement needs to be signed, after it has been approved and reviewed by the Law Department. After approval kindly authorize the Supervisor/Mayor to execute said agreement.

Respectfully,

John T. Vasta
Chief of Police
