Re: MARs Antennas-Harrison PD (First Amendment to License Agreement)

Supervisor/Mayor Dionisio and Members of the Town Board:

Attached for approval is a proposed First Amendment to a License Agreement with Westchester County, which was originally entered into on September 4, 2020, following Town Board approval on September 3, 2020.

The original License Agreement provided emergency services equipment to the Town/Village of Harrison to enhance first responder communication, through the Westchester County System for public safety radio communication and mutual aid response. The Amendment would allow Westchester County to provide additional equipment for this same purpose.

If acceptable, kindly authorize the Supervisor to execute the First Amendment to the License Agreement.

Respectfully,

John T. Vasta
Chief of Police
