Dear Supervisor/Mayor and members of Town Board,

After great success on our first Italian Heritage Festival in West Harrison we would like to keep the tradition going for the community and are planning to have the event this year on October 16th 2022 with a rain date October 23rd 2022. The event hours will be 11:30am to 6:30 pm.

We would request a street closing from Lake st (at Aquario Restaurant) To Hancock St. In addition we ask that the parking lot be closed for our Vendors. At 6:30 we have also planned to have fireworks same as last year And will be getting the proper permits.

We would like to thank you in advance for your consideration and support,

Respectfully yours,

Andrea-Morano-Sagliocco
