Dear Mayor Dionisio and Members of Town Board,

The G.Caboto Italian Club would like to hold a street fair in the parking lot at Park Avenue and Purdy Street on September 18<sup>th</sup>, 2022 from 12PM to 7PM.

We will require the portion of Park Avenue between Harrison Avenue and Purdy Street be closed during those hours.

The event will include mainly food trucks from various local food vendors, live music and perhaps some games.

We would very much appreciate receiving a permit to hold this event on the specified date and time frame.

We thank you in advance for your kind consideration and look forward to cooperating with you on this event.

Sincerely,

Italo Panzariello

President
