Re: Organic Yard Waste Transfer Station – Fee Increase

Dear Supervisor Dionisio and Members of the Town Board:

Town Board authorization is requested to increase permit and dumping fees for those who use the Town's Organic Yard Waste Transfer Station, effective January 1, 2024, as outlined below:

Permit Fee - \$200 for initial permit and \$100 for each additional truck (currently \$150 and \$75)
Leaves - \$25 per cubic yard (currently \$19)
Brush/Wood Chips - \$25 per cubic yard (currently \$19)
Logs - \$50 per cubic yard (currently \$38)

While our costs to operate the facility have increased each year, usage fees have not been increased since 2014.

Respectfully submitted,

Christopher Park
DPW General Foreman
