June 30, 2022

Harrison Town Board
1 Heineman Place
Harrison, NY 10528

Dear Harrison Town Board,

We are excited to share that the American Cancer Society's Making Strides Against Breast Cancer of Westchester walk is entering its 29th year and is under contract to be held between 9 a.m. and 1 p.m. on Sunday, October 16, 2022 at Manhattanville College, 2900 Purchase St, Purchase, NY 10577. We look forward to continuing our tradition of bringing community members together to save lives, celebrate lives and lead the fight for a world without cancer. We are also proud to share that as of 2021, Westchester ranks at number six out of more than 200 Making Strides walks across the country. With your approval, we look forward to hosting our annual walk again this year.

Our special event permit application is enclosed, and we are requesting to have the fee waived as we have in years past.

We are expecting between 5,000 and 10,000 participants. We are wholeheartedly committed to the health and safety of all our guests and will continue to follow CDC guidance as we approach the event day. Our team will regularly update our supporters about what to expect when they arrive, including health and safety guidelines. At various points along the walk route, hand sanitizer and masks will be available to participants.

The walk will take place completely within the confines of Manhattanville College (aside from parking in the lots near Central National Gottesman/Centre at Purchase off College Rd.) and campus security, along with Lieutenant Musollino and his team, will be on hand to help direct traffic and secure the event. EMS will also be onsite.

Every dollar raised from this event will directly support the American Cancer Society's innovative breast cancer research, help provide free 24/7 information and support, ensure greater access to quality care, influence public policy and provide patient support. Thanks to the support of our Westchester community, the American Cancer Society is the nationwide leader in the fight to end breast cancer.

Thank you in advance for your time and kind consideration. Should you have any questions about this event, please don't hesitate to contact us. We are so grateful for your ongoing support!

Gratefully,

Anna Trocino and Sheila Bogan
