Dear Mr. Amodeo:

**Re: Bid Review
Sanitary Sewer Rehabilitation Project within the Trails and Winfield Area
Town of Harrison, Westchester County, New York**

Sealed bids for the Sanitary Sewer Rehabilitation Project within the Trails and Winfield Area project were opened on January 30, 2019 at 11:00 a.m.

The lowest total bid price received was from Joken Development Corporation (Joken) in the amount of \$994,600. We have tabulated all bid proposals received and no mathematical errors were found. We reviewed Joken's bid proposal package and found it to be complete as required. The Town has worked with Joken before and they deemed Joken's work satisfactory, thus, Joken's references were not contacted.

Therefore, based upon our review of each bid proposal, and with concurrence from the Town Board, we find no cause or reason why the Town of Harrison should not award the project to Joken Development Corporation in the amount of their total bid price of \$994,600.

Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

GHD Consulting Services Inc.
