Re: Hepatitis B Vaccinations

Supervisor/Mayor Belmont and Members of the Town Board:

I respectfully request one (1) of our police officers to receive the Hepatitis B Vaccination as required by the OSHA Bloodborne Pathogens and the Harrison Police, Manual of Procedures. The department is required to offer the vaccination to all employees at no cost to the employees of the Harrison Police Department.

Inter-State Diagnostic Coordinator of Medical Services and Wellness Program will administer the vaccination at a cost of \$240.00.

Respectfully submitted,

John T. Vasta
Chief of Police
