**Re: National Fish and Wildlife Foundation Matching Contribution Grant
Sustainability Planning for the Town of Harrison- Development of a Drainage Manual**

Dear Supervisor Belmont and Members of the Town Board:

Town Board authorization is requested to accept the National Fish and Wildlife Foundation Grant in the amount of \$45,000.00. The grant is to be used for Sustainability Planning and to develop a drainage manual for Harrison.

The project will improve current Storm water management and set the stage for implementation of low-impact development green infrastructure projects to address storm water pollution into Long Island Sound.

Town of Harrison matching contributions will be handled through In-Kind Services.

The scope and details of the Grant are available in the attached document.

Respectfully submitted

Michael J. Amodeo, P.E.
Town/Village Engineer

MJA/eam
