Re: Petition Letter Sewer Tax Removal

Dear Mayor Belmont and the Town Board

We are the present owners of the home located at 1411 Purchase Street, Purchase, NY 10577. The Parcel Block #0611 and Lot #70. The property is part of the Mamaroneck River Watershed and the Blind Brook Sewer District.

We are petitioning the Board to be removed from a County sanitary sewer district for residential parcels and thus, the County Sewer Tax. The parcel is almost 3 acres and there is no public sanitary sewer within 100 ft, or one that is assessable to this property at all. In addition, there is no documented history of septic failure or violation within the past five (5) years.

We would welcome the opportunity to have our petition presented to the Mayor and the Town Board for Review.

Thank you for your time in this matter.

Sincerely,

Daniel A. Amicucci  
Phyllis R. Amicucci
