Dear Ms. Greer,

Global Impact Productions is working with the Autism Science Foundation to produce the 6th annual Wall Street Rides FAR charity event. As you may recall, Wall Street Rides FAR ("For Autism Research") is a one-day, charity cycling event raising funds to support the Autism Science Foundation. This family-friendly event will take place on **Saturday, October 3rd, 2020**. This cycling event offers the choice of a 62-mile (Metric Century), 30-mile, 20-mile, 12-mile, or 4-mile bike ride and a 5K walk option to about 250 participants.

The Autism Science Foundation (ASF) provides funding to scientists and organizations conducting and disseminating autism research. ASF also provides information about autism to the general public and serves to increase awareness of autism spectrum disorders and the needs of individuals and families affected by autism. Wall Street Rides FAR is a fully supported cycling event, with people of all ages and athletic levels participating.

Please review the enclosed materials. Our route has not changed since last year. We are not asking for any roads or lanes to be closed during our event. Since our proposed route winds its way briefly through your jurisdiction, we expect riders to be riding through your area from approximately 7:30 AM to 2:00 PM. We maintain a comprehensive \$5 million liability policy and would be happy to include the Town of Harrison.

If you have any questions or concerns, feel free to call me at (212) 989-1111. You can also email me at ttimken@globalimpactpro.com to discuss this request. We look forward to partnering with you to make a difference in the fight against autism.

Sincerely,

Tyler Timken
