Re: 8 Calvert Street Demolition Project

Dear Supervisor Belmont and Members of the Town Board:

Board authorization is requested to increase the contract amount with State Contracting Corp of NY dba Capital Industries, for the demolition of 8 Calvert Street by \$2,500. This would bring the new contract amount from \$68,500.00 to \$71,000.00.

The requested increase will provide the proper removal of two existing above ground oil tanks, prior to demolition.

Funding for this increase is available in Capital Account # 17RE15- New Recreation Facility.

Further, authorization is requested for the Purchasing Department to amend the original Purchase Order payable to State Contracting Corp of NY dba Capital Industries.

Respectfully submitted,
