Re: Service Agreement with nCourt LLC – payment made easy

Supervisor Belmont and Members of the Town Board:

I respectfully request the Town Board grant authorization for the Harrison Police Department to enter into a service agreement with nCourt LLC payment made easy, which will assist the Harrison Police Department with an electronic payment processing program. This agreement will allow the police department to accept bail money via credit card payment.

This program is at no cost to the Town of Harrison and has been approved by the Law Department.

Respectfully submitted,

Joseph J. Yasinski
Chief of Police
