Re: Approval of Contract with Westchester County and Harrison Police Department

Supervisor/Mayor Belmont and Members of the Town Board:

Authorization is requested to approve the contract with Westchester County Department of Information Technology for the use of certain County equipment for the purpose of facilitating participation by the municipal entity in the County's Hotline; License Agreement No. IT-1620.

The contract has been reviewed by the law department and has been found to be in order. Authorization is also requested for the Mayor to allow the Chief to sign said contract on behalf of the Town and to make it retroactive to June 24, 2020 as stated on agreement.

Respectfully submitted,

John T. Vasta
