Re: Livescan Equipment Grant - Change of Signatory

Supervisor/Mayor Belmont and Members of the Town Board:

I respectfully request the Town Board grant authorization to approve the acquisition of the Livescan (fingerprint processing) Equipment with the use of Grant money. This is a 50% matching Grant, which pays for half of the equipment and the Town pays the other half. The Livescan Equipment Grant Award Contract has been reviewed by the Law Department and conditions and terms were also reviewed with the Harrison Police Department and accepted.

Authorization is also requested to designate the Chief of Police to act as a signatory and sign said acquisition which will then be sent to the Division of Criminal Justice for this purpose.

Respectfully,

John T. Vasta
Chief of Police
