Dear Supervisor/Mayor and members of the Town Board,

We would like to thank you for the approval to hold our First Annual Italian Heritage Festival on October 24th on Lake St. in West Harrison.

I would like to apologize for inadvertently leaving out that we have a contract with International Fireworks Mfg. Co. to have fireworks that night. This is the same company used for "It's Great to Live in Harrison" weekend.

Please accept our request to have fireworks that night,

Respectfully,

Mike Giordano
