Members of the Town Board

FROM: Michael Piccini

DATE: August 26, 2019

This is a request for authorization to purchase an updated media server and software for the Town's public access cable channel. The current server and software are over 14 years old and no longer supported by the software vendor. The new server and software will be purchased from and maintained by Key West Technology. The cost for the server and software is \$4,135 which includes an annual, re-accruing subscription fee of \$495. Funding is available in Account Number 11SI02 Cablevision PEG Grant.

Thank you.
