Ms. Maureen MacKenzie
Town/Village of Harrison
Sulla Municipal Building
1 Heineman Place
Harrison, New York 10528

Dear Ms. MacKenzie:

This letter sets forth our understanding of the terms and objectives of our engagement, and the nature and scope of the services we will provide to the Town/Village of Harrison, New York ("the Entity").

Prior to the commencement of our audit(s) we may not know if an audit performed in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") is required. Consequently this letter includes the words "if applicable" next to relevant single audit communication requirements.

Audit objectives

We will audit the Entity's statements of the governmental activities, each major fund and the aggregate remaining fund information and related notes to the financial statements, which collectively comprise the basic financial statements of the Entity as of and for the year ended December 31, 2017 and issue our report thereon as soon as reasonably possible after completion of our work. We will also audit the financial statement of the Justice court on the basis prescribed by New York State for the years then ended.

Accounting principles generally accepted in the United States of America ("US GAAP") provide for certain required supplementary information ("RSI"), such as management's discussion and analysis to supplement the Entity's financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Entity's RSI in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

PKF O'CONNOR DAVIES, LLP

500 Mamaroneck Avenue, Harrison, NY 10528 | Tel: 914.381.8900 | Fax: 914.381.8910 | www.pkfod.com

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms

The following RSI is required by US GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis
- Schedule of Funding Progress – Other Post-Employment Benefits
- Schedule of Contributions and proportionate share of the Net Pension Liability

We have also been engaged to report on supplementary information other than the RSI that accompanies the Entity's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS and our auditors' report will provide an opinion on such information in relation to the financial statements as a whole:

- Combining and Individual Fund Financial Statements and Schedules
- Schedule of Expenditures of Federal Awards (if applicable)

We will conduct the audit in accordance with US GAAS, the standards for financial audits contained in Government Auditing Standards ("GAGAS") issued by the Comptroller General of the United States (if applicable), and the Uniform Guidance (if applicable), and will include tests of accounting records, a determination of major programs in accordance with audit requirements of the Uniform Guidance (if applicable), and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. The aforementioned standards require that we obtain reasonable, rather than absolute, assurance that the financial statements are free of material misstatement, whether caused by error or fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Entity's or to acts by management or employees acting on behalf of the Entity. Because the determination of abuse is subjective, GAGAS do not expect auditors to provide reasonable assurance of detecting abuse. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us even though the audit is properly planned and performed in accordance with US GAAS and GAGAS (if applicable). In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements and on those programs we have determined to be major programs (if applicable). However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting or misappropriation of assets and any material abuse that comes to our attention. We will include such matters in the reports required for the Uniform Guidance (if applicable). We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

The objective of an audit is the expression of an opinion on whether these financial statements are presented fairly, in all material respects, in conformity with US GAAP and to report on the fairness of the supplementary information referred to in the preceding paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on:

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Uniform Guidance (if applicable).

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Entity's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to GAGAS (if applicable).

Uniform Guidance (if applicable) requires that we also plan and perform the audit to obtain reasonable assurance about whether the Entity has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the Uniform Guidance for the types of compliance requirements that could have a direct and material effect on each of the Entity's major programs. The purpose of these procedures will be to express an opinion on the Entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance. As required by audit requirements of the Uniform Guidance (if applicable), we will also perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to prevent or detect material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

If our opinion on either the financial statements or the requirements of Uniform Guidance (if applicable) is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion(s), we may decline to express an opinion or decline to issue a report as a result of the engagement.

In making our risk assessments, we consider internal control relevant to the Entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to GAGAS (if applicable). An audit is also not designed to identify significant deficiencies or material weaknesses. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control and other internal control related matters relevant to the audit of the financial statements that we have identified during the audit, as required by US GAAS, GAGAS and the Uniform Guidance (if applicable).

The reports on internal control and compliance (if applicable) will each include a paragraph that states that the purpose of the report is solely to describe (1) the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance (if applicable), (2) the scope of testing internal control over compliance for major programs and major program compliance (if applicable) and the result of that testing and to provide an opinion on compliance, but not to provide an opinion on the effectiveness of internal control over compliance (if applicable), and (3) that the report is an integral part of an audit performed in accordance with GAGAS (if applicable) in considering internal control over financial reporting

and compliance and Uniform Guidance (if applicable) in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form (if applicable) that summarize our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan), if applicable, along with the Data Collection Form, if applicable, to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package, if applicable, must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

We will also communicate with those charged with governance any (a) fraud involving senior management and other fraud that causes a material misstatement of the financial statements; (b) violations of laws or governmental regulations that come to our attention (unless they are clearly inconsequential); (c) disagreements with management and other serious difficulties encountered in performing the audit; and, (d) various matters related to the Entity's accounting policies and financial statements.

As part of our engagement, we may propose standard, adjusting, or correcting journal entries to your financial statements. Management, however, has final responsibility for reviewing the proposed entries and understanding the nature and impact of the proposed entries to the financial statements. It is our understanding that management has designated qualified individuals with the necessary expertise to be responsible and accountable for overseeing the acceptance and processing of such journal entries.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management's responsibilities

The financial statements and their fair presentation in accordance with US GAAP, including all informative disclosures, RSI and supplementary information, are the responsibility of the Entity's management. Management is also responsible for: (1) the selection and application of accounting policies; (2) the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge; (3) ensuring the Entity complies with the laws and regulations applicable to its activities; (4) making all financial records and related information available to us of which you are aware that is relevant to the preparation and fair presentation of the financial statements, as well as any additional information that we may request for the purpose of the audit; (5) providing us with unrestricted access to persons within the Entity from whom we determine it necessary to obtain audit evidence; and (6) adjusting the financial statements and supplementary information to correct material misstatements.

Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements, and for preparation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance (if applicable). As part of the audit, we will assist with preparation of your financial statements, schedule of expenditures of federal awards (if applicable), and related notes. You agree to include our report on the schedule of expenditures of federal awards (if

applicable) in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards (if applicable). You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. You are responsible for making all management decisions and assuming all management responsibilities relating to the financial statements, schedule of expenditures of federal awards and related notes, and for accepting full responsibility for such decisions.

Management's responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the RSI and supplementary information in accordance with US GAAP; (2) you believe the RSI and supplementary information, including its form and content, is fairly presented in accordance with US GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the RSI and supplementary information.

In order to help ensure that appropriate goals and objectives are met and that there is reasonable assurance that government programs are administered in compliance with compliance requirements, management is responsible for establishing and maintaining effective internal control, including internal control over compliance, and for evaluating and monitoring ongoing activities.

Management's responsibilities also include identifying any significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the Entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Entity received in communications from employees, former employees, grantors, regulators or others. In addition, you are responsible for identifying and ensuring that the Entity complies with applicable laws, regulations, contracts, agreements and grants and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report. Additionally, as required by the Uniform Guidance (if applicable), it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the audit objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. The Entity is also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

At the conclusion of the engagement, we will request from management written confirmation concerning representations made to us in connection with the audit. The representation letter, among other things, will confirm management's responsibility for: (1) the preparation of the financial statements in conformity with US GAAP, (2) the availability of financial records and related data, and (3) the completeness and availability of all minutes of board meetings. Management's representation letter will further confirm that: (1)

the effects of any uncorrected misstatements aggregated by us during the engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, and (2) we have been informed of, or that there were no incidences of, fraud involving management or those employees who have significant roles in the Entity's internal control. You will also be required to acknowledge in the management representation letter, when applicable, our assistance with preparation of the financial statements and related schedules, RSI and the schedule of expenditures of federal awards (if applicable) and that you have reviewed and approved the financial statements, aforementioned schedules and RSI, and related notes prior to their issuance and have accepted responsibility for them. We will place reliance on these representations in issuing our report.

In the event that we become obligated to pay any cost, settlement, judgment, fine, penalty, or similar award or sanction as a result of a claim, investigation, or other proceeding instituted by any third party, as a direct or indirect result of an intentional, knowing or reckless misrepresentation or provision to us of inaccurate or incomplete information by the Entity or, any elected official, member of management or employee thereof in connection with this engagement, and not any failure on our part to comply with professional standards, you agree to indemnify us against such obligations.

To the best of your knowledge, you are unaware of any facts which might impair our independence with respect to this engagement.

The financial statements are the property of the Entity and can be reproduced and distributed as management desires. You may wish to include our report on these financial statements in a registration statement proposed to be filed under the Securities Act of 1933 or in some other securities offering. You agree that reference to our Firm will not be included in any such offering without our prior permission or consent. Any agreement to perform work in connection with an offering, including an agreement to provide permission or consent, will be a separate engagement.

If you do not engage us for this service, the following paragraph must be included in the offering statement – "PFK O'Connor Davies, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. PKF O'Connor Davies, LLP also has not performed any procedures relating to this official statement."

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

We understand that your accounting department personnel will assist us to the extent practicable in completing the audit. They will provide us with detailed trial balances, supporting schedules, and other information we deem necessary. A list of these schedules and other items of information will be furnished to you before we begin the audit. The timely and accurate completion of this information is an essential condition to our completion of the audit and the issuance of the audit report.

We keep documents related to this engagement in accordance with our records retention policy and applicable regulations. However, we do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

You agree that you will not include our report, or otherwise make reference to us, in any public or private debt securities offering without first obtaining our consent. Such a request constitutes a new engagement and is subject to our firm's acceptance procedures. If we elect to accept this engagement, our fees for the additional procedures required in connection with this service are outside the scope of the current engagement and will be established with you prior to the commencement of our work.

Management is responsible for management decisions and assuming all management responsibilities; for designating an individual with suitable skill, knowledge, and/or experience to oversee the non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

Except as discussed below, any requests for access to our working papers will be discussed with you before making them available to requesting parties:

This program requires that once every three years we subject our system of quality control to an examination by another accounting firm. If it is, the other firm is bound by professional standards to keep all information confidential.

If requested, access to such working papers will be provided under the supervision of our personnel. Furthermore, upon request, we may provide photocopies of selected working papers to them.
