**Re: Harrison Station Transit Oriented Development: Section 18, Block
182, Lots 12 and 15 (AvalonBay Communities, Inc.)**

Dear Mayor Belmont and Members of the Board of Trustees:

On February 27, 2018, the Planning Board is expected to grant site plan, subdivision and TOD special permit approvals for the Harrison Station Transit Oriented Development project. In anticipation of those approvals, we respectfully request that on February 15, 2018, the Town Board set its public hearing on the TOD special permit for March 1, 2018. We acknowledge that the hearing will be contingent upon prior special permit approval by the Planning Board.

Thank you for your consideration.

Very truly yours

PETER J. WISE
