Re: May Agenda – July 4th Annual Fireworks Event

Dear Ms. Greer:

We again are requesting approval to hold our annual fireworks display on the Club grounds. We are planning on Sunday, July 2, 2017 with a rain date of Monday, July 3, 2017.

Can you please put us on the agenda next week for approval? We will also forward the application and payment.

Thank you for your attention to this matter.

Kind regards,

Donna Gallo, CHAE
Controller
