Dear Ron,

As we have in past years, the Jewish Community Center of Harrison is hosting a concert on Tuesday evening, June 5th at our "Rectory" - my home, 2 Century Trail in Harrison.

We greatly appreciate the opportunity each year to utilize the town portable stage for this event. Would you kindly make those arrangements once again this year?

With thanks for your continued assistance and wonderful partnership.

Sincerely,

Rabbi Eytan Hammerman

Thank
You!!
