=====

THE MATSURI is a community event for both of local Japanese residents and local US residents in Westchester County NY. The purposes of THE MATSURI are to bring genuine Japanese culture to the community in Westchester County, to connect people with different backgrounds, and to deepen mutual understanding in community. In the past three years, more than 16,000 people in total came to enjoy this event.

You will enjoy:

Spectacular Japanese Stage Performances such as Wadaiko which is amazing powerful Japanese traditional drum performance, Anime and J-Pop Musician, Japanese traditional performing arts and martial arts, and more. Japanese traditional dance by local kids and kids chorus from local music school won't be missed.

Many kinds of food/non-food vender booths such as Japanese traditional foods in various kinds from appetizer to dessert, original artistic goods, and unique Japanese festival goods, and more.

Raffle prizes, Japanese Tea Ceremony demonstration, Calligraphy workshop and more, which all ages can experience and have fun.

The fund raised through this event had been donated to the victims of earthquake in Japan and to the local schools and non-profit organizations. THE MATSURI would like to continue to support in the same manner.
